Engineering Subject Guides

The screenshot displays the Cameron Library Engineering Subject Guides website. At the top, there is a search bar and a navigation menu. The main content area is organized into a grid of subject-specific guides. The visible guides include:

- Chemical Engineering**
- Civil & Environmental Engineering**
- Electrical & Computer Engineering**

Each guide card features a representative image and a list of resources. For example, the 'Civil & Environmental Engineering' guide lists:

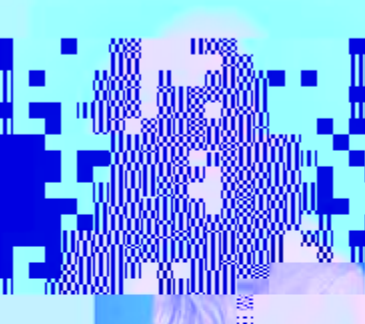

- Government Information
- Newspapers
- Primary Sources

The website also includes a 'Cameron Library' logo and a 'Showing' dropdown menu. The overall design is clean and professional, with a color scheme of blue, green, and white.
